

**Modello Mascherina  
con tasca per filtro**  
Bambini 7-12

**Stoffa principale**  
Con cucitura inclusa  
di 1 cm

The main fabric pattern is a large, curved shape representing the front of the mask. It has a pointed top edge and a curved bottom edge. On the right side, there is a rectangular section representing the filter pocket, outlined with a dashed line. A small cross-shaped dashed line is located near the bottom-left corner of the main fabric piece.

**Fodera**  
con cucitura inclusa  
di 1cm

The lining pattern is a smaller, curved shape that fits inside the main fabric. It has a similar curved top and bottom edge. On the right side, there is a rectangular section representing the filter pocket, outlined with a dashed line. A small cross-shaped dashed line is located near the top-left corner of the lining piece.
